THE LOBBY

will give it your serious consideration.
Yours very truly,
Carl Hayden, our able and
Washington, D. C. painstaking representative in My Dear Mr. Hayden: had, relative to the Rural this phase of the law during the time the law. Credits bill recently enacted, we were drafting its terms. I then as- In this connection, I beg to call

from Hon. Ralph Moss, of Indiana, one taxes are collected, installments to The following communi- of the authors of the Rural Credit apply on retiring bonds. These pay-

ments extend over a period of ten or twenty years. We have in our drainage districts practically analogous cases to your Western irrigation prothe lower branch of Con- I have your favor making inquiry jects. I feel perfectly confident that gress, should be hailed with as to the scope of the Rural Credit in all instances where the title vests joy by every land-owner on the Yuma project, for it sets various Reclamation projects. I reat rest the fears that some call very distinctly your interest in any one of the purposes recognized in

GOOD FOR THE CROPS.

(Newark Evening News)

years residence, and with your advice interest as may be due thereon must years residence, and with your advice interest as may be due thereon must and assistance am certain of receive he liquidated in accordance with the provided by the new law, and you have in mind, viz: where settlers Reserve law. I am aware that there requirements of the Public Land obtain all the money they hold title to lands but against which has been a decision rendered to the want at not to exceed six per holding the government has a lien for effect that National Banks may not

Read it carefully, and then give credit where credit is due.

Editor Yuma Daily Examiner, Yuma, Arizona.

I am advised that some unfriendly President Wilson drove invisi- O critics of the Hollis-Moss Federal ticular question because we have in Credits law uses the term "first mortpossible for the Republicans to elect O ble government out of Washing- O Farm Loan Act have urged that loans Indiana very extensive Drainage Dis- gage"; we did not pin our faith to the O ton and uncovered the mightiest O cannot be made on lands within Rec- tricts where the State advances the vague term "unincumbered." A mort-If elected Governor I will use every O lobby that ever ramified a re-O lamation Projects because of the lien money to make the improvements and gage is a mortgage; it is not taxes or legitimate means to advance the ma- O public or had its rendezvous in O which the Government holds for un- is given a first lien against the lands legal assessments which constitutes a terial welfare of the state and develop C its capital. He drove the lobby- O paid water right charges. In order eo secure the repayment of the money lien against land; but, in order that its resources, matters that every citi- O ist out; he turned the American O to demonstrate that such is not the so advanced. The State sells bonds no misapprehension can arise, in the O people in. Senator Ollie James. O case permit me to quote the following and then collects semi-annually from

assessments representing water rights loan on lands within irrigation proor privileges. I still affirm that any jects until all assessments are fully fair interpretation of the statute will paid. The Federal Reserve law perverify my statement as to the purpose mits National Banks to loan on "imof its farmers. This question was pre- proved and unincumbered" farm sented very forcibly by you and by lands. The term "unincumbered" has other representatives of our Western been held to mean lands without legal assessments such as unpaid irrigation I was vitally interested in this par- assessments.
